

GREEK KEY

44" by 53"

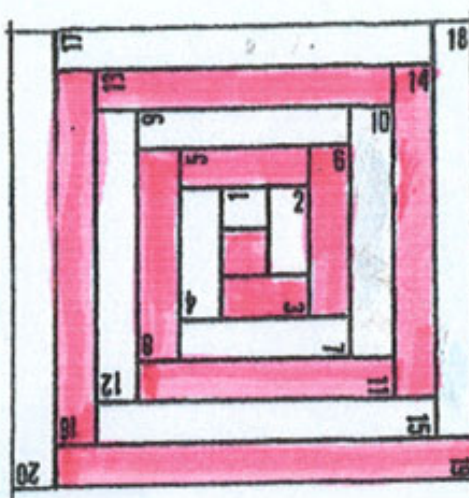

FOLDY STUFF PATTERN
LOG CABIN

An optical illusion!! There's only two squares and they are easy.

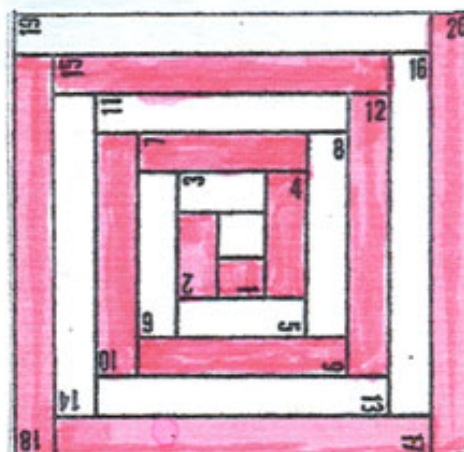

[CLICK HERE FOR LOG CABIN
FOLDY STUFF PATTERN](#)

Block size—9"
Blocks needed—20 total:
4 across, 5 down

Block A
Need 10

Block B
need 10

CUTTING

Center Squares—cut 10 EACH, light & dark,
2 1/2" by 2 1/2".

Remainder of Block—From 2" wide strips, cut the
following lengths:

10 EACH, light & dark—10" & 2 1/2"

20 EACH, light & dark—9 1/4", 8 1/2", 7 3/4", 7",
6 1/4", 5 1/2", 4 3/4", & 3 1/4"

Border—Cut 4 1/2" wide

Muslin—Cut 20—11" by 11"

HINT: It helps to stack the strips, starting with the
longest on the bottom.

CONSTRUCTION: Add strips in the following order (as shown in the
diagram above)

Block A: Center (dk) Rows 1 & 2 (lt), Row 3 (dk), Row 4 (lt),
Rows 5 & 6 (dk), Row 7 (lt), Row 8 (dk), Rows 9 & 10 (lt),
Row 11 (dk), Row 12 (lt), Row 13 & 14 (dk), Row 15 (lt),
Row 16 (dk), Rows 17 & 18 (lt), Row 19 (dk), Row 20 (lt).

Block B: Add strips in the opposite order from Block A.

YARDAGES

Blocks—2 1/4 yds EACH of two fabrics
(light & dark)

Border—3/4 yd

Muslin—2 3/4 yds (incls. blocks and
border liner)

Backing—2 3/4 yds

GREEK KEY is the forteenth in a series of Foldy Stuff projects. New projects will appear from time to time. Return to—donnaposter.com—often, click onto Free Projects at the home page. Print each project keeping them in a loose leaf folder to save the entire collection. These projects are free from copyright so feel free to share them with your quilting buddies and enjoy the Foldy Stuff method of quiltmaking.
