CUTTING

Cut strips 2" wide and the following lengths:

Odd numbered rows – 2 1/2", 4", 5 1/2", 7"

Even numbered rows – 4", 5 1/2", 7", 8 1/2"

Cut border 3 1/2" wide

HINTS:

1. Use a neutral fabric for the center square. It should appear as a "background"
2. The blocks in the quilt shown are planned so the odd numbered strips are light and the even numbered strips are medium or dark. But a random arrangement is just as nice and even more fun.
3. Don't plan the quilt – just let it "grow" – to whatever size you want. But be prepared, you'll have a hard time putting it away – it's like eating peanuts.
