Block size—9 by 9 inches

Blocks Needed—9 total

Need 4 blocks

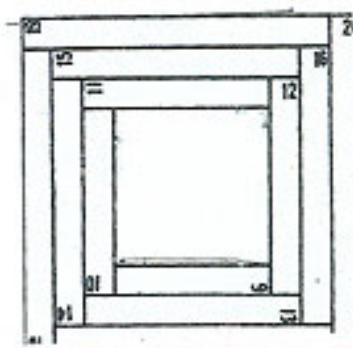

*see note

Need 5 blocks

***NOTE:** My instructions for this project are for 5 of each block. It's so much easier that way. Just make a pillow using the extra block.

HINT: To prevent transfer lines from showing through light fabric centers, cut away (or mask) the two center rows of the transfer. See below..

Night & Day is the fifteenth in a series of Foldy Stuff projects. New projects will appear from time to time. Return to donnaoster.com—often, click onto Free Projects at the home page.
